Remarks

Great opportunity to create your own coastal, living lifestyle in this pet friendly, maintenance-free complex, located west of the trail. Location is key, as in just a short bike ride to Siesta Key. Also, just down the block from Phillippi Park where there's always something going on: Music, farmers market, and brown bag concerts in the Park. This lovely community has a busy clubhouse, large pool and Baywood Colony's own waterfront Park where you can watch evening sunsets over Little Sarasota Bay. Always a great spot to sit and watch the boats go by. This unit has been freshly painted, has a new roof, new HVAC, and Hot water heater in the last 2 years. This is a blank pallet in mostly original condition. At this location and this price you can't ask for a better opportunity!!!!
